Mr Frank Spair
Trenton Baseball Park
Trenton N.J.

Dear Mr Spair:

I asked Mr Manley to give you the following message, but I desided I had better write you also to make sure.

We are arranging to play in Trenton May 21 this comming Friday night, The St. Louis Stars, and Tuesday May 25th, The New York Black Yankees. We thought these two games would give us a chance to see how Trenton looks for our baseball.

We will be able to get all the teams to come in if they can make anything. This travelng today is so expensive we cant afford to gamble on too weak a spot.

I hope we are getting some publicity. We have quite a few cards out. Please speak to the sports editors of the papers for me.

Very Truly Yours
